RCSC/PPPD/COVID(01)/2021-22/3416

February 23, 2022

CIRCULAR

SUBJECT: WORK-FROM-HOME DURING COVID-19 LOCK-DOWN

The Commission directs all Civil Service Agencies to immediately activate the Work-from-Home (WFH) protocols as soon as the NCTF/RCTF/DCTF announces COVID-19 lock-down to ensure seamless and effective public services delivery and continuity of business. To avoid confusion, RCSC will be issuing notifications only if it is applicable across the Nation. Agencies are requested to issue internal-office memos/orders to activate and lift WFH in accordance with the announcement from your respective Task Force.

Agencies are also requested to share the contact details of officers/staff responsible for providing services on the website or official social media handles whenever lock-down is announced. Where applicable, Agencies should liaise with the Public Service Call Centre Office (Help-desk 1010) for greater reach of information to the general public.

Please also ensure all civil servants observe the movement protocols for the safety of oneself and the community at large.
