-
- v. **For High-end Recreational fishing in Trout water (Walk in)**
Duration: 1 Day – 1 Month
Dzongkhag: Whole Bhutan
(However, please know the High-end trout water stretches in Bhutan and know the site you will do fishing. Permit issuing authority will inquire you about the stretch you would like to fish before approving the application)
- vi. Application approval/rejection may take 1-2 days depending on the availability of staffs at office to check the system, so apply at least three days before for walk in fishing trips or call the concerned official for immediate approval. However, for Mahseer float trips, its very competitive so applying well in advance is necessary to book the launch date.
- vii. On approval of the application, visit the ofs site again, track your application and complete the payment
- viii. Online permit will be generated after payment of fee only.
